

2024 Move-In Notice Water Exhibits

[Water Exhibitor Move-In Times](#)

[Slip Dimensions](#)

**** Please Keep in Mind****

1. Each Exhibiting Company has a specific move-in time & slip(s) assignment.
2. Each slip has a unique width, make sure the slip(s) assigned to you will accommodate your boat. Please verify fitment through referencing the “Slip Dimensions” link above.

NOTICE!- THE A-B OUTER BRIDGE WILL BE CLOSED WEDNESDAY, SEPT. 18 AT 7AM

Boats should arrive according to the targeted schedule.

- Please give your captains the slip assignments for your boats as well as the layout for the marina
- Monitor VHF channel 72- ask for “Norwalk Boat Show” **NOT** Norwalk Cove Marina
- The height of the docks is 33” high from the water line.
- The main dock is 10’ wide and fingers are 4’ wide.
- The minimum draft at low tide is 6’ and the channel coming into the marina has a minimum of 8’ draft.
- Please keep in mind that the tide fluctuation is 6-8 feet and 7-11 feet with a full moon.

Please contact the United States Coast Guard 718-354-4191 for updates on NY Waterway & East River restrictions.

Contact us immediately if you have any change in the boat you are bringing.
Jon Pritko, Show Manager  jpritko@nmma.org or  (646) 370-3645
