

METS MARINE EQUIPMENT TRADE SHOW

15-16-17 NOV 2022
AMSTERDAM

EXHIBIT IN THE U.S.A. PAVILION AT METSTRADE 2022

The Marine Equipment Trade Show (METS) is the biggest and best-attended business-to-business leisure marine equipment show in the world!

METS draws more than 26,000 visitors. Attendees include yacht and boat builders, naval architects, repair yards, distributors, captains, marina developers and equipment manufacturers from around the world, who return year after year because they know METS is the most comprehensive show of its kind.

The National Marine Manufacturers Association (NMMA) organizes and operates the U.S.A. Pavilion, the largest country pavilion at the show, to make it easy for marine companies to reach the global market.

Our U.S.A. Pavilion offers cost-effective, turn-key exhibition packages in a prime location.
